To Whom It May Concern,

PROFESSIONAL REFERENCE LETTER FOR LUFTER SDN. BHD.

This letter is issued for the sole purpose of providing a factual record of **LUFTER SDN. BHD.'s (781640-T)** scope of work and performance in relation to projects undertaken for Pharmaniaga Lifescience Sdn. Bhd. (PLS). It does not constitute, nor should it be interpreted as, any form of inducement, advantage, or preferential treatment.

2. **LUFTER SDN. BHD.**, led by Mr. Simon Loh Chi Yin (Co-Founder), has been engaged by PLS in the execution of two major biopharmaceutical facility projects from year 2022 until year 2023;
 - a. Vaccine manufacturing line for Pre-filled Syringes (PFS):- including design, installation and qualification of PIC/S Grade A/B cleanrooms in compliance with EU GMP standards.
 - b. Insulin manufacturing line for Cartridges:- including design, installation and qualification of PIC/S Grade A/B cleanrooms in compliance with EU GMP standards.
 - c. Establishment of new QC laboratories to support for SVI and Biopharma in-house testing.
3. The Cartridge line has undergone inspection by the National Pharmaceutical Regulatory Agency (NPRA) in April 2025 and was found compliant with GMP requirements. The PFS line is scheduled for NPRA inspection in Q4 2025/Q1 2026.
4. Throughout the engagement, **LUFTER SDN. BHD.** has demonstrated their ability to deliver complex brownfield project in accordance with regulatory requirements such GMP, ISO, and EHS. Not only that, **LUFTER SDN. BHD.** has shown their capability to meet all contractual specifications, safety protocols, and agreed timelines (subject to mutually documented project adjustments) that in line with PLS's internal governance and compliance procedures.
5. This reference is provided based on verifiable project records maintained by PLS and is intended solely to confirm factual performance history. PLS makes no representations beyond the scope of documented project deliverables.

Thank you.

Regards,

PHARMANIAGA LIFESCIENCE SDH.BHD.

AHMAD SYAMSURY SULAIMAN (RPh. 3235)

Head of Plant
